

*Encore, encore!*

Piano Keys is an echo of the larger, two-player Grand Piano Keys. Beautifully in tune, Piano Keys has even more songs in its repertoire. Its sharply lit, stand-out-in-the-crowd cabinet and marquee are sure to entertain the entire audience!

Hit as many oversized piano keys that match the colored square on the monitor as you can in the allotted time to accumulate tickets. A wrong note will delay the game, but you can pick up right where you left off. The faster and more accurate you are, the more tickets you win!

Don't miss a beat! Make sure Piano Keys is part of your game room!
