DAYTONA® Championship USA STD

FULL THROTTLE RACING

DAYTONA® USA is the holy grail of arcade racing - First launched in 1994, this brand new entry brings Sega's #1 racer screeching into the 21st century! DAYTONA® Championship USA features three brand new tracks including a recreation of the newly renovated DAYTONA International Speedway®! In addition, the original three classic courses have been remastered for the modern era.

This Standard cabinet is designed to fit in more locations. Lit from top to bottom with bright LED edge lighting the game is a head turner. The cabinet marquee features the stylish yellow Hornet car. Have you got what it takes to take the flag again.... because DAYTONA® is back!
