PIXEL CHASE

CATCH THE PIXEL

Pixel Chase is a brand new skill based redemption game in a brightly LED lit cabinet. Players demonstrate their pitching skills by throwing as many balls into the 4x4 LED lit target holes within the time limit. Target holes light up red, green or blue, which correspond to different scores. If the player exceeds the 'high score', they win the bonus tickets. The wide cabinet allows multiple players to throw the balls simultaneously. Pixel Chase is perfect for all game centres and FEC.
