BASKETBALL PRO

BASKETBALL PRO “FUN VERSION”

Basketball Pro is not your ordinary “free-throw” basketball game. It re-imagines arcade basketball by encapsulating a truly interactive experience in a compact 32”x38” footprint. The Fun Version will open up new locations for Basketball Pro.

Features:

- Easy to understand and simple to play
- Air-powered ball hemisphere interface allows players to control all their shots
- Baskets move up and down
- 2 Player stations; side by side competitive mode or single play
- Compact footprint is perfect fit for bars and street stops.
