JURASSIC WORLD: FALLEN KINGDOM

Jurassic World: Fallen Kingdom is Andamiro's newest ticket redemption attraction. Tickets are won with every play, based on where the truck stops. Land on the "big win" bonus, a victory song and light show are activated – ESCAPE SUCCESS!

Features:

- Stands out, seizes the eyes and ears of passers-by, and offers an entertaining skill challenge
- Gameplay is insidiously simple and clever
- Jurassic World: Fallen Kingdom is very tactile – players young and old love to push the trucks and win
- The game has an "anti-abuse" sensor that detects cheating and ends the game when cheating is detected
