Current guests

Over 40% of players visit **primarily to play Omni Arena**, creating an anchor attraction for your venue that is both affordable and compact.

Featuring the brand-new **Omni 2.0** motion technology

Patented 360° movement platform

Strapless harness for fast player setup

Omni Overshoes for easy operation

Automated software for minimal labor

Commercial-grade VR components

With 1MM+ plays and 3,000 Omnis shipped to 45 countries, the Omni motion technology is the most popular and proven VR gaming system on the planet!

Top VR Games

Including all popular game genres attracting a broad range of guests

- Curated from the Omniverse games library
- Featuring co-operative and player-vs-player shooters, thrilling adventures, frightening horror, and kid-friendly games

Don't settle for just a shooting gallery!

Complete Customer Experience

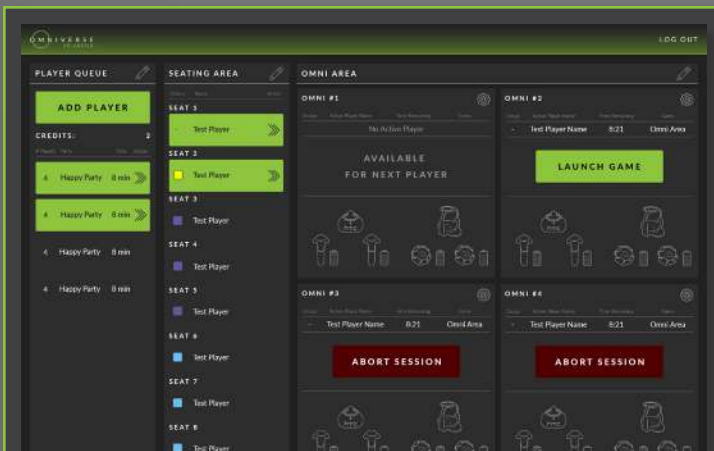

Guests receive their gameplay video with your logo embedded

- Staging area and social sharing stations entertain customers before and after VR
- Charge **\$15 or more** for 20 minutes of fun, not just a quick 5-minute game

Highly Automated Attraction

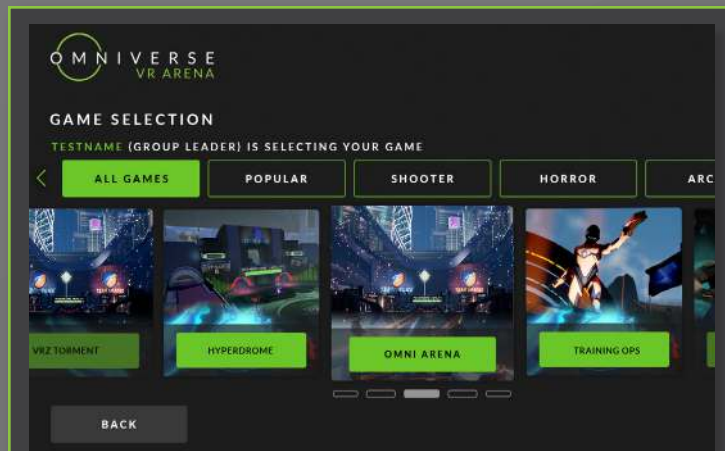

Easy-to-use interface for 4:1 player-to-attendant ratio

Built-In Staging

Automated staging area for quick player setup

20 players/hour

Queuing App

Eliminates revenue-losing wait lines

Social Media Sharing

Offer free-roam VR without boundaries in a compact and affordable attraction!

"With \$97,000 in 4 months, it's exceeded our expectations!"

- Darren Spohn,
Owner, Pinballz

"We purchased Omni Arena because of its ability to drive traffic to our small venue."

- Doug Roth, Owner,
Scary Strokes

"Omni Arena takes VR to the next level. Our guests play again and again thanks to the \$100,000 prize pool."

- Eddie Hamann,
Managing Member,
Andretti

"Ultimately, we need to beat our competition. Omni Arena makes us stand out and helps us reach a new audience of gamers."

- Tony Cui, Owner,
Vertex Arena
