

MC720 - CC SELECT / MODULAR SERIES

FRONT LOAD - CASH & CREDIT CARD

BETSON™

Accepts Credit Cards and Cash, Dispenses Tokens - Give your Customers a Choice

The **NEW MC720-CC** is a FRONT LOAD-DUAL ACCEPTOR Cash & Credit Card Token Change Machine that features one Bill Acceptor and one Magstripe Credit Card Reader. Coupled with either Pulse Selection or Package Selection Buttons, this machine allows your customers to chose the token pay-out they want, and pay for it with either Cash or Credit Card.

The MC720-CC series offers a solid-welded steel cabinet with two (2) T-Handle “slam” locks, for better security. The Datacap DataTran™ dial-up POS Terminal device allows you a variety of credit card processing choices. This machine is easy to use and will help you generate more revenue by offering more convenience for your customers.

Credit Card Machine Optional Features:

- Coinco®, CashCode®, Mars®, Pyramid® Bill Validators Available
- Receipt & Audit Printer
- Hi-Speed Internet Processing (IPTran)
- Pedestal Stand
- Vending Base & Header
- Electronic Coin Acceptor
- Locking Hopper Lids
