X-TREME II

BIG ONE X-TREME II

Elaut

The Big One X-Treme II is a severely tall crane designed to generate serious revenue.

At a little over 12 feet / 3m67 tall, the tallest arcade crane machine ever manufactured, the Big One X-Treme II will be seen from every corner of your location.

Using the patented “Claw Vision” monitor; players can skillfully guide the massive claw over their targeted prize. Multi-color LED lighting creates a very festive look. Now with E-Claw technology, operators can enjoy the same features and operation that they currently have with their other Elaut E-Claw cranes.

PRODUCT FEATURES:

- X-treme Size
- Target Locator (Camera & Screen)
- Centerpiece (Eyecatcher)
- Strong Claw for Large Merchandise
- Attractive RGB Lighting
- Bill Acceptor, Cashless and Swipe Card Ready
