

NEXT-GEN FITNESS GAMING

STEP MANIAX

MUSIC | GAMING | FITNESS

THE ULTIMATE EXPERIENCE FOR FUN, EXERCISE, AND ESPORTS

Step up to the stage and show your skills by stepping to the beat of energetic music!

StepManiaX brings a modern take to music-based fitness gaming. From industry veterans with years of experience, StepManiaX builds on what players are looking for to drive profits while keeping operators happy.

Players navigate the game, select music, and adjust player options with the large touchscreen display, making sessions easy to start without wasting time in menus.

Unique and modern hardware also requires minimal operator involvement while simultaneously retaining precise sensitivity and functionality.
