VALLEY-DYNAMO

JET-PONG

Nothing virtual about it. Jet-Pong is hands-on, go-for-it fun for multiple players or just one. The rules are few, the object is simple, anyone can play, everyone can enjoy!!

How it works:

- Ball pops up to allow the player to conveniently pick and toss the ball into one of 10 red cups
- Balls returned automatically using our patented Aerr technology
- Dual displays near the players show the score, number of balls left, and cups yet to be made
- LEDs under cups shut off when a cup is made
- Music and cheering play when a cup is made
- One and two player modes.
- Playing area is Tournament **REGULATION SIZE**.

Exciting and useful features:

- Coin mech and bill acceptor. Cardreader and ticket dispenser ready.
- "Maintenance Mode" to troubleshoot sensors, LEDs, blower, solenoids, etc.
- "Setup Mode" to set number of credits, ticket dispensing when used, etc.
- Playfield LEDs, console displays and rear video display animation when a cup is made
- Rear video display customizable for advertising easily via USB Thumb drive
- Remote access available with password-protected wi-fi
- Industrial grade blower motor and leg levelers
- Reliable and durable LED T-molding surrounds the unit
- All internals have quick-connect cables for ease of service
- UL/ULC approved

* Regulation Playfield dimensions 96" long x 24" wide x 27.5" high

Specifications	Height	Width	Length	Weight
