CARNIVAL

A disturbed clown out for revenge traps us in his sinister nightmare. Once trapped in a decrepit amusement park, we get tossed, pulled and toyed with like a mouse caught by a particularly villainous cat. Giant heads and creepy automatons are just a few of the weird creations this clown has manifested from his mind. As we get dropped, dragged and swung from one twisted corner of his mind to the other, we discover we're not the first to pass through this nightmare and we won't be the last.

THE BEST INTERACTIVE EXPERIENCE

Creators
of fun

“

The XD Dark Ride is not like anything we've got already, it is very interactive. Most people play one ride, and when they come out, they just want to play another one, and another one... They always want to get a higher score and compete with their friends, colleagues, and family.

— Mark Richardson

Namco Funscape London, United Kingdom

“

We love working with Triotech, they are always responsive, their equipment is very reliable, and the XD Dark Ride has been a great investment. It is very popular amongst our visitors, people often want to replay to have a higher score than their friends.

— Darren Spohn

Pinballz, USA

“

The XD Dark Ride has been a consistent favourite among visitors of all ages in the Méga Parc. In fact, it is not unusual to see people try the ride, then get off and get back into the line to try it again. There's something about it that is highly addictive.

— Sean Sauvé

Méga Parc Québec, Canada

A GREAT SELECTION OF MOVIES

“

Since Triotech is constantly producing new content, we can update our films each year.

— Brian Relic

Ripley Entertainment, USA

“

Thanks to a large variety of movies offered, we were able to build up over the years a number of different entertainment content encouraging our guests to experience more than one show during their cruise, this has had a positive impact on revenue.

— Laura Waldeis

MSC Cruise Management

ROUND THE CLOCK CUSTOMER SERVICE

If a problem or error occurs at the XD Dark Ride, someone from Triotech can help you immediately.

— Isabel Braun
Steinwasen Park, Germany

The durability of the system is great, and we appreciate the reliability of the customer service when our technicians have some questions or when it comes to update our movie selection!

— Tom Hagen
Rush Mountain Adventure Park, USA

I like the option of getting a human being to troubleshoot issues, at all kinds of hours. We had a server issue, and after placing a phone call I was able to resolve this with in 30 minutes. This allowed us to stay in operation during a busy Saturday and provided steady revenue after.

— Yury Putnin
Funhaven, Canada

We looked at other companies, but Triotech made us comfortable. The theaters are made in Canada, which is relatively close, and we are comfortable with their support although the rides have never gone down. Triotech stands behind their products.
