

Award winning laser maze...

Lazer Frenzy is an exciting new arcade-style laser maze attraction that is captivating the world with its high-tech interactive game play and its use of lasers, mirrors, haze, effects, and unique theming. Inside the Lazer Frenzy laser maze your guests will enjoy completing a variety of objectives while being surrounded by a web of laser beams they must navigate carefully just like in the spy movies to achieve the high score and complete their mission.

Here are some of the things we offer in our packages:

- ✓ Great theme possibilities
- ✓ NO attendant needed – built in auto attendant feature comes standard
- ✓ Full archway with integrated touch panel, token mech, and HDTV display
- ✓ Dedicated in-house support staff (7 days/wk)
- ✓ Redemption capability (built in)
- ✓ Brilliant green laser modules
- ✓ Redundant receiver modules for robust alignment
- ✓ Powered sound system for game effects
- ✓ Motion sensing package for security and safety
- ✓ Durable Z-Towers for housing components and changing the maze
- ✓ Professional HD color camera to view the action inside from outside
- ✓ LED programmable buttons for game functions
- ✓ Licensed Frenzy software package with custom games, sounds and videos
- ✓ Room Kit options available so you can place it anywhere

Profit from Frenzy...
